## Now Available ...

**'Rush!' tells the story of gold diggers and their quest for instant fortune.**

A powerful, professional musical with a modern score and a strong storyline.

It has all the musical power and feel of 'Paint Your Wagon', 'Jesus Christ Superstar', 'The Pirates Of Penzance' and 'Oliver!', all rolled into one. George Balani, MD of New Zealand's CHTV said of Rush!, "... the only thing preventing it from being a similar worldwide hit to 'Cats' and 'Phantom Of The Opera' is that it wasn't written by Andrew Lloyd-Webber ...".

'Rush!' fizzes with energy, and has both a wonderful, warm richness which fills the soul, coupled with a rawness as cold and spectacular as hoar frost.

UK and European Premiere : May 2006  
Barrow Amateur Operatic & Dramatic Society

Principals : 9m, 3f plus full chorus. Call or Email for a Perusal Pack

*Two people with different ideas about marriage ...*

'Princess Diana, the musical' is a moving, musical tribute about her troubled life with Prince Charles. It takes her point of view in its treatment of their courtship, their marriage, and why things went wrong, but is not disrespectful to the Royal Family; showing instead that both sides had different dreams and aspirations.

The superb West End quality songs reflect

Diana's transition from being an unknown nineteen-year old to arguably the most famous woman in the world.
